# TESTIMONIALS

What your neighbors are saying about "Zooming"  
at the French Institute of the North Shore:

"As much as I love being at the French Institute for classes I am enjoying virtual classes via Zoom. Zoom is convenient, reliable, helps me with time management and is super easy to use. I can see my teacher and classmates right in front of me on my screen and my teacher uses the chat function to provide vocabulary just as she would on a white board in class. I think virtual learning makes sense for adult learners during the pandemic."

-Stacey C., Evanston

"Literature class on Zoom was a highlight of the week for me this past spring and summer. With the Zoom format we could participate in discussions as well as see the teacher's power point presentations and film excerpts. It was easy to forget that we weren't all together in person! I'm looking forward to our next literature class on Zoom."

-Robin R., Lake Forest

"Although I love going to The French Institute and I love seeing my fellow classmates and the teachers in person, I have also enjoyed taking the Zoom classes because it saves me driving time, sometimes in traffic. Everything is pretty much the same and the learning is still fun and the interaction is still ever present. We are able to see power point lessons and movies while sitting in the comfort of our homes. Either way it is a win-win situation for me! Thank you! I need your school doing these trying times to bring some fun, learning and joy to my life! Thanks so much for all your efforts!"

-Sonali M., Glenview
